SINGLE EVENT ENROLLMENT

This is a series of **eight meetings** with limited enrollment and there is a **$35 fee** to register for the series.

In order to facilitate student participation in single events, but to minimize logistical challenges, the following guidelines will be followed:

1. Anyone wishing to attend one of the GD15 events, must contact Larry Fuell at least a week in advance (lfuell@shoreline.edu) of the particular event. Space is limited.
2. There will be a $5 fee for attending single events, payable AT THE DOOR, by cash or check.
3. All participants are asked to sign in at each event.
4. Single-event participants are asked to sit in the row of chairs, not at the table (reserved for those who have registered for the series).
5. Single-event participants are welcome to participate in the discussion following the video and guest comments.
